**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition and choice is the life blood of American business. Limiting the number of internet and telecommunication providers is nothing short of economic tyranny on American business and consumers. Please protect us from these monopolies that would further burden small business mine. We're depending on you.

Sincerely,

Eric Voigt
